

NNMD Board of Directors Meeting Summary

May 17, 2018

The Near Northwest Management District (NNMD) Board of Directors met in regular session on Thursday, May 17, 2018. The agenda included the following items:

- The Board approved a contract with SMC Logistics, Inc. for District landscaping maintenance services. This will include maintenance of the White Oak Conference Center grounds, the green space, and adopted esplanades.
- Branding
 - The Board approved the negotiation and execution of a contract with Landscape Art, Inc. for the fabrication, installation, and landscaping of the next five gateway markers - phase two of this project.
 - The Board approved the negotiation and execution of a contract with TBG Partners for design and engineering professional services for the W Little York/White Oak Bike Trail project. A grant from Houston-Galveston Area Council will fund sidewalks on W Little York from Hollister to Bingle/N Houston Rosslyn to support METRO's planned 79 W Little York route extension, and will complete the last mile of the White Oak Bike Trail across the Hollister detention area.
- Economic and Business Development
 - The Board approved updates to the District's CIP, reflecting FY 2018 planned expenditures.
 - The plan includes additional detail for a proposed connectivity project to build sidewalks connecting retail centers on N Houston Rosslyn and surrounding neighborhoods with Alabonson Park, which is under development now. A funding request for the project will be submitted to Houston-Galveston Area Council.
- White Oak Conference Center
 - A free two-week learn-to-swim lessons program for 3- and 4-year old children is underway.
 - The Blue Marlins Swim Team has begun practice and will host five swim meets.
 - The 2018 White Oak Pool Season opens on May 26. Membership sales are ongoing.
