CONFLICT OF INTEREST QUESTIONNAIRE

The Conflict of Interest Questionnaire form is included in Appendix D. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest may automatically result in the disqualification of the Respondent's proposal.

DISCLOSURE OF INTERESTED PARTIES

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties (Form 1295), which is available at https://www.ethics.state.tx.us/whatsnew/elf info form1295.htm, to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. NNMD requires the selected Contractor to file Form 1295 electronically with the Texas Ethics Commission at the time of Contract Award.

HOUSE BILL 89 VERIFICATION

Passed by the Texas Legislature in 2017, House Bill 89 prohibits a governmental entity from entering into a contract for goods or services with a company unless the contract contains a written verification from the company that it does not boycott Israel and will not boycott Israel during the term of the contract. Tex. Gov't Code 2270.002.

SENATE BILL 252 CERTIFICATION

Pursuant to Texas Government Code, Chapter 2252, Section 2252.152 and Section 2252.153, the governmental entity must certify that the selected Respondent is not listed on the website of the Comptroller of the State of Texas concerning the listing of companies that are identified under Section 806.051, Section 807.051, or Section 2253.153. DELINQUENT STATE BUSINESS TAX

All Respondents shall certify that the Respondent/Contractor is not delinquent in a tax owed the state under Chapter 171, Tax Code, pursuant to the Texas Business Corporation Act, Texas Statutes, Article 2.45, by completing the Delinquent State Business Tax certification.

EVALUATION / SELECTION PROCESS

The most qualified Respondent, as established via the scoring criteria, will be selected for this job. NNMD will negotiate with the most qualified Respondent in order to reach a fair and reasonable price.

NNMD may select or create a short list of viable candidate firms/teams. Once the short list has been determined, there may be an oral interview and/or presentation session scheduled for the highest ranked firms. The presentation should demonstrate the firm's experience in providing services for similar projects, experience in coordination of construction activities with other design firms, projects, and entities, along with any other items covered by the SOQ submitted. Based on the SOQ's and interviews, the Consultant Selection Committee will determine the most highly qualified firms on the basis of demonstrated competence, experience, and qualifications for each project. All short-listed firms will be notified of the top respondent selected based upon presentations and references.

Negotiations will be initiated with the top-ranked firm on the short list. The firm will be contacted and requested to meet with NNMD to develop a detailed proposed scope of work and a schedule of fees for that work. The price proposal generated should substantially reflect the same composition and level of involvement as presented in the Statement of Qualifications.

If a mutually agreeable cost and/or price proposal cannot be negotiated, NNMD will formally end the negotiation and proceed to select and negotiate with the next most highly qualified firm(s) on the basis of demonstrated competence, experience, and qualifications. NNMD reserves the right to make no award from this solicitation if deemed in its best interest to do so, and may, at its election, re-advertise and reissue the original, or an amended RFQ.
