

RFQ for Construction Materials Testing For Improvements of Sidewalks and Park Gateway on W. Tidwell Road

Statement of qualifications for Construction Materials Testing, prepared with one digital copy, attention: Eileen Egan, Vice President of Capital Projects, Near Northwest Management District (NNMD), will be received until 2:00 PM CDT on October 4, 2023, through CivCast. Any submission received after October 4, 2023, at 2:00 PM CDT will be returned unopened.

The W. Tidwell Road project consists of construction/reconstruction of sidewalks, ADA features including curb ramps, associated pavement markings and a trailhead gateway between just east of Antoine Drive and TC Jester Boulevard along W Tidwell Road. NNMD plans to utilize a Materials Testing Firms during the construction phase to perform all construction materials testing. Qualified firms with experience in this type of work and available personnel are invited to submit a Statement of Qualifications for consideration.
