

Permission to Place Security Camera Units

I _____ (Property Owner) hereby grant near Northwest Management District (NNMD) and Sentriforce permission to place a security camera unit on the property located at _____.

I understand and approve

- NNMD will acquire the cost for maintaining the contract with Sentriforce for the cameras which includes monitoring and installation fee.
- The property owner has agreed to allow Sentriforce to connect power the camera unit and be responsible for all required 110-volt power for unit.
- Sentriforce personnel will need to be on site to adjust cameras, update systems, or perform any maintenance.
- Near Northwest Management District dedicated Precinct One Constable and local law enforcement may visit property to assist or provide emergency armed response to any suspicious activity or incidents

I confirm that I have the authority to grant such approval.
